

EDUCATION

- **English Study** — *Worl English Institute (WEI)*
February 2024 until now | **Basic Course, Intermediate Course**
- **Web Development** — *Free Code Camp*
June 2022 – February 2024 | **Web Design, Javascript, Front End Librairies**

SKILLS SUMMARY

- **Languages** : HTML, CSS, Python
- **Script languages** : Javascript, Typescript
- **Libraries** : JQuery, React, SASS
- **Tools** : Mongoose (MongoDB), SQLite (SQL), Jest (testing)
- **Framework** : NodeJS, Express
- **Platforms** : Visual Studio Code, Atom
- **Soft skills** : Report Building, Investment Project Analysis, Financial Analysis, UX/UI Design

PROJECTS

- **Point of sale** | July 2024 – September 2024
A web application to manage a store with product, client, order, delivery tracking.
- **Investment Project Analyser** | March 2024 – July 2024
A web application to analyze investment projects according to financial criteria.
- **25 +5 Clock** | January 2023 [view project](#)
A timer application with 25 minutes and 5 minutes break default count.

CERTIFICATES

Front End Development Libraries (FreeCodeCamp) | August 2023

- Bootstrap and Font Awesome : using reusable components and icons to speed up the development process,
- SASS and JQuery : shorten and reuse block of codes for CSS (SASS) and Javascript (JQuery) ensuring DRY codes,
- React and Redux : build Single Page Applications (SPA) with state management.

Javascript Algorithms and Data Structures (FreeCodeCamp) | January 2023

- Data structures : using reusable components and icons to speed up the development process,
- Object Oriented Programming (OOP) : learn object oriented paradigm like inheritance, encapsulation, prototyping,
- Functional programming: use declarative programming to manipulate data like list, object, to achieve modularity, and handle asynchronous tasks.

Responsive Web Design (FreeCodeCamp) | June 2022

- HTML : learn document structures along with semantics and accessibility principles,
- CSS : modify the visual outlook of documents and create animations.

Graphic Design – Design graphique au collège (Centre National des Arts Plastiques) | May 2021

- Learn the components of a design like typography, color, image, layout,...
- Learn visual communication with project analysis.

Relational Database – Base de données relationnelles (CNAM) | March 2021

- Algebraic calculation : retrieve, join, calculate, manage data using algebraic methods,
 - SQL : manipulate data with SQL, optimize queries, and so on.
-
